

## Enough for the Picnic?

24 people are coming to your house for a picnic. There are 30 sandwiches in your picnic basket.

**NOTE** Students practice comparing 2 two-digit numbers.

1. Will there be enough sandwiches? \_\_\_\_\_

2. Will there be any leftovers? \_\_\_\_\_

3. If so, how many? \_\_\_\_\_

Use this space to show your work.

## Ongoing Review

4. How many more rainy days than sunny days does the graph show?

(A) 3 more

(B) 2 more

(C) 1 more

(D) 0 more
